

Countryside Pool Rules

The swimming season is here and everyone is looking forward to being able to relax and enjoy our pools during the summer.

If everyone is considerate of other residents we should not have any problems such as one person or group dominating the pool at the expense of other people. However, we do not live in a perfect world and there will be occasional problems that develop. There will be times that we need the residents' help to control the behavior in the pool. Your assistance is appreciated.

POOL HOURS ARE DAWN TO DUSK

Pool Rules are listed below:

1. **No Lifeguards are on duty at the Countryside Pools.** All persons using the pool facilities do so at their own risk. The Countryside P.U.D. Residential Homeowners Association, Inc. (Countryside H.O.A.) assumes no responsibility for any accident, injury or loss. Persons entering and within the pool area thereby agree to hold the Countryside H.O.A. and its members, employees and agents harmless for any loss or injury of any nature within the pool area.
2. The pool facilities are for the exclusive use of residents and their guests. All others are subject to prosecution as trespassers. Members must be present with their guests.
3. Residents are responsible for their own actions and for the actions of their children and guests.
4. Only persons wearing appropriate swimwear will be allowed in the pool.
5. At all times children 12 and under **must** be accompanied by an adult. Children who cannot swim must **never** be left unattended. After 5 P.M. children 17 years old and under must be accompanied by an adult.

Pool Access Procedures

1. The pools are for members of the Association in GOOD STANDING (Assessments current for both Mini and Master Association and no covenant violations) and their guest only. Access is strictly controlled by the association and nonmembers or members who do not adhere to these procedures will be denied access to the pools and/or asked to leave the pool area.
